Dear Jonn:

Your letter of October 30th, postmarked the 31st, arrived this morning. I spoke with Harold on the telephone and told him about it, but I'm not forwarding to him because he will undoubtedly be in S.F. and with you before the mails catch up.

Re Mort Sahl: I had a telephone call this morning advising that Sahl is currently on radio, WABC, in New York, where he is doing a two-week stint, this week and next.

I notice you typed your own letter .... clues by the galore ...

Hope all is well with you.

Best wishes,
